Fixed Closing Costs with Title Insurance

The most important part of our job is to make sure that you have a good and marketable title to the home you are buying. There are different approaches we can take to ensure this happens;

- We can provide a letter of opinion which states that you have a good and marketable title to your property, or
- We can obtain a title insurance policy to protect your investment in your property.

With over 44 years of experience, Don Travers prides himself on client satisfaction.

"If you are not satisfied with our services we will refund our legal fee."
